Englander Sports Pub & Restaurant
101 Parrott Street, San Leandro, CA 94577
<http://www.englanderpub.com>

BOARD MEETING:

January 24th at 3:30PM

Topic:

Challenges and Opportunities for the North
American Foundry Industry

SPEAKER: Raymond W. Monroe

Raymond W. Monroe joined the Steel Founders' Society of America SFSA as Executive Vice President on April 1, 1988. Prior experience includes working for Saturn Corporation in lost foam, managing research for SFSA, conducting research at SRI, and interning at NASA. He holds a B.S. in Chemical Engineering from Auburn University and received his M.S. in Engineering Science from the University of Alabama (Birmingham) in 1980.

Raymond has been on the Board of the Cast Metals Coalition since 1989. Cast Metals Coalition is a partnership with the U.S. Department of Energy. He is also on the Board of the American Metal casting Consortium since 1992. This is a partnership with the U.S. Defense Logistics Agency, U.S. Department of Defense. He serves as a panelist for the Joint Defense Manufacturing Technology Panel- Metals Sub-panel. He serves on the industrial advisory board for trade in ferrous materials (ITAC 12) for the Department of Commerce.
